

Photo Drive[®]

Data Sheet

Memories. Organized.

Seagate® Photo Drive featuring Mylio Photos makes organizing your memories simple. Mylio Life Calendar and facial recognition software lets you find photos you care about quickly and easily. With three years of Mylio Photos¹, you can also free up space on your devices by moving all your primary photo files off your computers, phones, and tablets

Key Advantages

- Consolidate all of your photos into one centralized and optimized location
- Easily and quickly back up all of your photos
- Organize and manage your photos in one safe place
- Free up space on your devices with all your photos safely stored away
- Automatically sync up to four computers and an unlimited number of phones and tablets
- Edit, manage, and share photos with an included three-year subscription to Mylio Photos¹
- Take your whole photo portfolio on the go, thanks to its compact and portable size
- Enjoy its single USB bus-powered cable for quick function and less clutter
- Rest easy with Rescue Data Recovery Services²

¹ Not available in all countries. 3-year Mylio Photos subscription is redeemable during product registration. Trial subscriptions are subject to change in vendor or terms. Please refer to drive packaging for official offer. See www.mylio.com/terms-of-service/ for applicable terms and www.mylio.com/privacy/ for privacy policy. Internet connection required.
